Terms of payment and conditions.

Payment is due by the end of the month following an Invoice Date, in the event any amounts are outstanding by the end of the second month following an invoice date, then court action will automatically be taken to recover the outstanding amount plus costs and interest. All future transactions will then be on a Pro-Forma basis. It is understood that any goods supplied are the property of Plant Hire UK Ltd until such time as settlement is received in full for any goods outstanding. All contracts entered into will be subject to the model CPA terms and conditions for the hiring of plant, which are attached to this application and the signing of this form indicates your acknowledgement to having read the said model conditions. By making this application and in consideration of an agreement to provide credit to the Company any director or other person who signs this form warrants that he has authority to sign on behalf of the Company and personally undertakes to discharge any liability which the Company may have to Plant Hire UK Ltd. In order to process this application please return with the completed form details of your insurance policy confirming a minimum of £60,000 of cover for hired in plant and your business letterhead.

Signed Acceptance of the terms and conditions:	This must be by a Director of the Company
